ABOUT THE INSTITUTION

NSCBM Govt. College Hamirpur has entered into the 6th decade of its glorious journey after its inception in 1965. During the last 5 decades college has been striving to be an institution of excellence. This institution has progressively emerged as one of the leading institutions of higher learning in Himachal Pradesh with its sole motto of transformation of the students into awakened, responsible and accountable citizen. The college started with the name of Govt. College, Hamirpur and then in 1995 Netaji Subhash Chander Bose has been prefixed to the name of this college. The college is located in the hilly terrain of district Head quarter of Hamirpur. It is covered by 2(f) and 12(B) by the UGC. It was re-accredited with 'B' Grade with 2.83 points by NAAC.

The college offers different undergraduate programmes in Humanities, Science (Med. & Non Med., Computer Science) and Commerce and post Graduate courses in English Hindi, Commerce Economics and Mathematics. The college also runs self financing courses in BBA BCA and PGDCA and Add-on-courses in Tourism & Travel Management, Journalism and Computer Application. The highly qualified faculty of the college is imparting value based quality education in various fields

Different activities in the college such as sports, cultural, NSS, NCC, Rovers & Rangers and Rostrat are instrumental in channelizing and translating the strengths of the students. Over the year the college has acquired an excellent reputation by exhibiting outstanding performance in academics, sports, cultural and co-curricular activities.

ABOUT THE SEMINAR

National Seminar on Administration and Politics for Society (NSAPS 2019) will provide a major forum for researchers, academicians and professionals to present their novel ideas in diversified areas of Public Administration, Political Science, Economics, Rural Development, Sociology, Management and other fields of Social Sciences. The seminar aims to build a network among the politicians, administrators, policy makers and academia by detecting research needs, exchanging best practices through experience. The focus of the seminar will be on the exchange of information, deliberations, cross fertilization of ideas and research outcomes so as to evolve ways and means to address the practical challenges encountered in all aspects of society. It will also serve as a platform to challenge and inspire the various stakeholders from different areas.
