Before joining B.Voc course I was lacking in interspersnel skills and I was very weak in core knowledge of hospitality industry and soft skills. I very thankful to all my mentors and Himachal Govt. who started such course with almost zero fee, through this like me many students got the chance to do such skill development or job oriented course and got employment in such a beautiful place with handsome salary. Now I can proudly support me and my family. Again thanks to all those are associated with this B. Voc Program.

Before Training Or admission in B. Voc I was not aware about Tourism & Hospitality industry and were lack of confidence, communication skills, and language skill, but after the training or doing B. Voc I learned so many things about the Hospitality industry, got the practical exposure worked or done my OJT in different locations. And now I can say I very much capable of get myself employment in this industry. I am very much thankful to my trainers and all B. Voc team who are working for the future of student like me.
