

# SELF EMPLOYMENT AND SKILL DEVELOPMENT WORKSHOP ON MUSHROOM CULTIVATION

## REPORT DAY-3

**DATE:** 20th August, 2025

**VENUE:** Tagore Rangmanch ,APJ Kalam Conference Hall

The third and final day of the Mushroom Cultivation Workshop marked the culmination of three days of intensive learning and practical exposure. The day began with participants sharing their experiences and feedback, highlighting how the workshop had enhanced their understanding of mushroom cultivation and motivated them to explore its entrepreneurial potential.

The session continued with practical reinforcement of the techniques covered on earlier days, enabling students to consolidate their learning. Both students and staff members actively participated, making the workshop a truly collaborative learning experience. The workshop concluded with a valedictory function. On this occasion, the resource person, Dr. \_\_\_\_\_, was felicitated for his valuable contribution, and all participants were awarded certificates of participation.

In his address, the Principal, Dr. Pramod Patial, praised the efforts of the Botany Department and congratulated the organizers on the successful completion of the program. He further expressed hope that such initiatives would continue in the future, benefiting students, staff, and the wider community by providing practical knowledge and new opportunities.

The three-day workshop thus ended on a note of enthusiasm and inspiration, equipping participants with both theoretical insights and practical skills essential for applying mushroom cultivation techniques in real-life contexts.
