

# BLOOD DONATION CAMP

## Introduction

The National Cadet Corps (NCC) has always been at the forefront of social service activities. In keeping with its motto “**Unity and Discipline**” and the spirit of community welfare, a **Blood Donation Camp** was organized by the NCC Cadets of NSCBM GC HAMIRPUR under the supervision of LT. DR. SAMJEET SINGH.

## Objective of the Camp

- To promote awareness about the importance of blood donation.
- To encourage voluntary blood donation among youth.
- To contribute to saving lives in medical emergencies.
- To uphold the social responsibility aspect of NCC.

## Preparations and Planning

The preparations for the camp began a week in advance. The following steps were taken:

- Awareness posters and banners were put up across the campus.
- A registration desk was set up for volunteers.
- Medical staff and a mobile blood donation van were arranged from [Hospital/Blood Bank Name].
- Hygiene and safety arrangements were ensured by the NCC cadets.

### **Outcome and Impact**

A total of **110 units** of blood were successfully collected.

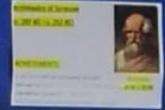

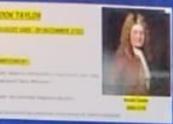

Many first-time donors overcame fear and pledged to donate regularly.

The camp helped spread awareness and break myths surrounding blood donation.

The event strengthened the bond between the NCC unit and the local community.

### **Conclusion**

The Blood Donation Camp was a resounding success and reflected the spirit of selfless service among NCC cadets. It not only helped in collecting vital blood units but also encouraged a culture of giving and caring among students. Such events reinforce the role of NCC in building responsible and compassionate citizens.
