**REPORT ON WORLD CLEAN-UP DAY CELEBRATION**

The Department of Botany, NSCBM Government College Hamirpur, celebrated *World Clean-Up Day* on **20th September 2025** with great enthusiasm under the joint initiative of the **Eco-Club** and the **Bose Botanical Society**. The event aimed to promote environmental consciousness, cleanliness, and a sense of responsibility among students toward maintaining a clean and green campus.

On this occasion, all participating students took a **Cleanliness Pledge**, reaffirming their commitment to keep their surroundings clean and contribute to environmental conservation. Following the pledge, students actively participated in a cleanliness drive, during which they cleaned their classrooms, laboratories, and the entire Botany Department.

The activity was carried out under the supervision and guidance of Dr. Vijay Kumar, Head of the Department of Botany, and Dr. Kalpna Bhandari, who ensured the smooth and effective conduct of the event. Their motivation and leadership encouraged students to take up such initiatives as a regular practice, reflecting the true spirit of *Swachh Bharat Abhiyan* and *World Clean-Up Day*.

Many students shared their thoughts on how small actions, when taken collectively, can lead to big environmental changes. They discussed ways to reduce plastic usage and manage biodegradable waste effectively within the campus.

The cleanliness drive concluded with a group photograph, capturing the collective spirit of the participants. The department plans to organize similar activities regularly to maintain cleanliness and enhance environmental awareness among students. The celebration truly embodied the message — “*Clean Campus, Green Campus, Healthy Nation*”.
