REPORT

A webinar on financial literacy was conducted by the Department of Commerce in the collaboration with the SV Wealth Partner's, a renowned firm in the field of investment and finance. This webinar was conducted on 9th September, 2025 in the Commerce block for the students and faculty. Near about 254 students actively participated through virtual mode and got benefitted from this webinar session. This webinar taught about financial literacy and various aspects of finance and investment. The session focuses on different avenues of investment, portfolio management and SEBI etc.

The webinar started with welcome of Resource persons of Webinar by the convener and organizing secretary of webinar. Mrs, Ritu Bala smart trainer introduced and explored the financial literacy in the present Sanrio and talked about the importance and various step to be taken for use of financial literacy. This session focused on building a solid investing framework and developing strategies for wealth creation in the modern financial landscape.

In the Second session Sh. Sunil Kumar, resource person of webinar YFS Academy LLP elaborated gently about financial market and module of market through presentation on Smart Investor Awareness programme.

He highlight the importance of financial literacy in personal and professional life, and motivated the young minds regarding investing framework that individuals can adopt to achieve financial independence for practical insights on wealth creation through systematic planning, saving, and investing.

Both sessions emphasized that financial literacy is not just about money but also about managing resources wisely to secure long-term goals. All the Participants were introduced about systematic approaches such as diversification, risk assessment, asset allocation, and goal-based investing. Strategies such as budgeting, emergency funds, debt management, and passive income generation were discussed as pathways to independence

At the end of session vote of thanks given by Naresh Kumar convener and organizing secretary of webinar. The sessions on Financial Literacy proved highly valuable by offering both theoretical understanding and practical guidance. It empowered participants to take proactive steps in their financial journey, aligning everyday decisions with long-term independence and wealth creation.
