

Report on National Education Day Celebration

Organized by:

Department of Geography, NSCBM Government Degree College, Hamirpur (Anu)

Date: 11th November 2025

The Department of Geography, NSCBM Government Degree College, Hamirpur (Anu), celebrated National Education Day on 11th November 2025 with great enthusiasm and participation. The event was organized to commemorate the birth anniversary of Maulana Abul Kalam Azad, the first Education Minister of independent India, who made remarkable contributions to the field of education and the establishment of national institutions.

The celebration aimed to highlight the importance of education in nation-building and to spread awareness about the need for quality and inclusive education for all. The event began with a brief introduction about the significance of the day, followed by a series of declamation contests in which around 250+ students from geography department participated enthusiastically. Students expressed their views on topics such as the importance of education, Maulana Azad's contribution to Indian education, and the role of youth in shaping the nation's future.

The programme was successfully conducted under the guidance of the faculty members of the **Geography Department- Assistant professor Mr Arun Kashyap.**

The event concluded with words of appreciation from the teachers, who encouraged students to follow the ideals of Maulana Azad and to value education as the foundation of progress and development.
