# NDLI CLUB REGISTRATION

## INTRODUCTION

The National Digital Library of India (NDLI) is an initiative of the Ministry of Education, Government of India, aimed at providing a single-window platform for learning resources catering to students, teachers, and researchers of all disciplines. To encourage the effective use of this digital resource, an NDLI Club has been established in our institution NSCBM Govt College Hamirpur.

The registration of the NDLI Club signifies a new step toward promoting digital learning, collaboration, and knowledge sharing among students and faculty members.

## REGISTRATION PROCESS

The registration of the NDLI Club was carried out under the guidance of Prof. Lavli Rana, who took the initiative to register the club officially on the NDLI platform. Once the registration was completed and approved by the NDLI authorities, students were encouraged to enroll as members through the provided online registration link.

To ensure maximum participation, Prof. Lavli Rana Sir, along with me, visited various classrooms and even other departments to personally inform students about the NDLI Club and assist them in completing their registration. This helped in spreading awareness and increasing membership effectively across the college.

## NDLI REGISTRATION TUTORIAL VIDEO

To make the registration process more convenient, Prof. Lavli Rana Sir created an online tutorial video demonstrating the step-by-step procedure of joining the NDLI Club. The video proved to be extremely helpful for students, guiding them clearly through each stage of registration and login. This initiative ensured that every student could register independently and understand the use of NDLI resources efficiently.

## OUTCOMES AND FUTURE PLANS

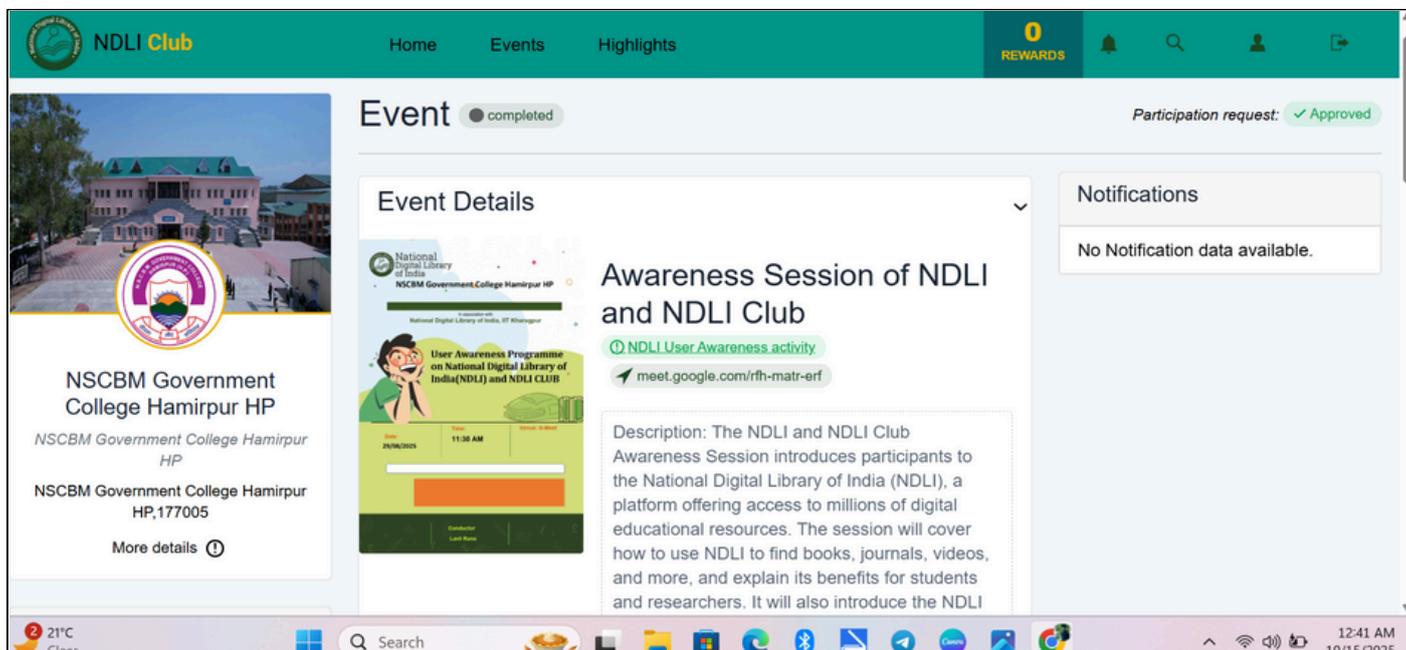

The NDLI Club has received an enthusiastic response from students across different departments. Going forward, the club plans to conduct:

- Awareness sessions and digital literacy drives.
- Reading and resource-sharing activities.
- Online competitions and events using NDLI resources.

Through these initiatives, the club aims to cultivate a spirit of academic curiosity and lifelong learning among students.

## CONCLUSION

The formation and registration of the NDLI Club marks a significant step in integrating digital education into the college environment. With active support from teachers and participation from students, the club is expected to play a major role in enhancing digital learning habits and promoting resource-based education

## ACKNOWLEDGEMENT

On behalf of myself, I would like to express my sincere gratitude to our respected Principal, faculty members, and students for their support and cooperation in the successful registration of the NDLI Club. I am thankful to everyone who participated and helped spread awareness about the initiative.

This experience provided me with valuable exposure to teamwork, communication, and coordination, and I am grateful to have contributed to this meaningful academic activity.
