

TEACHER'S DAY EVENT

The PG students of the Physics Department decided to celebrate Teachers' Day on 9th September 2025, even though it could not be held on 5th September due to weather holidays—believing it is better late than never. The event was simple yet filled with love, gratitude, and respect towards the teachers. The program included heartfelt speeches by students and a touching poetry recitation dedicated to the teachers. Though small in scale, the celebration beautifully captured the bond between teachers and students.

Honoring our Guiding Lights

As a token of love and respect, the teachers were presented with small gifts and adorned with rosettes by the students. This gesture, though simple, carried deep gratitude and symbolized the appreciation students hold for their mentors' constant guidance and support. The moment added warmth to the celebration and brought smiles to everyone present.

Words of Wisdom from Teachers

After the felicitation, the teachers addressed the gathering with their motivational words. They shared valuable thoughts on the importance of dedication, discipline, and continuous learning in academic as well as personal life. Their encouraging messages not only inspired the students but also strengthened the bond of respect and admiration between teachers and learners.

A Sweet Ending

The celebration reached its most cheerful moment with the cake cutting ceremony. After a little playful exchange of “who should cut the cake first,” our respected Suresh Sir finally led the moment by cutting the cake, joined by the other teachers and students. Laughter and smiles filled the room, making the event even more memorable.

Memorable Moments

From motivational speeches to the cake-cutting ceremony, every moment was special. The camaraderie between teachers and students shone through, making this celebration truly unforgettable.

Memorable Moments

Acknowledgement

I would like to sincerely thank all the teachers, staff, and students who made this Teachers' Day celebration a memorable one. Your guidance, support, and cooperation throughout the event were truly inspiring. I am grateful to everyone who helped with the organization, arrangements, and capturing these special moments, which will be cherished for years to come.
